Animal Control

MISSION STATEMENT

The Department strives to protect the public's health and safety from vicious, sick or injured animals, to educate the public about responsible animal care and ownership and to reduce the number of unwanted animals in the community. Our mission is to provide safe, humane shelter for unwanted, stray, abused and impounded animals in accordance with State regulations. The Department is responsible for assuring the timely and effective enforcement of the County's ordinances and State laws.

BUDGET HIGHLIGHTS

The Adopted budget for the Animal Control Department reflects a net County dollar decrease of 0.1% (\$1,653). The decrease is due to decreased operating costs (purchased services, materials & supplies, and claims). Adopted expenditures for the department are down 0.3% (\$5,583).

Revenues are projected to decrease in FY 2012 by 0.9% (\$3,930). The decrease in revenues is primarily due to lower revenue from animal adoptions, a cost which historically goes down as the economy worsens and goes up as the economy improves.

Interagency Communications

MISSION STATEMENT

To coordinate & manage the infrastructure, assets, and resources associated with the 800 MHz digital trunked radio system that is jointly owned by the County of Forsyth & the City of Winston-Salem. To guide both Public Safety & non-emergency agencies in the coordinated use of the system as they respond to the needs of the public & to assist them in addressing their interoperable communication needs.

BUDGET HIGHLIGHTS

The FY 12 Adopted budget reflects a continued focus on decreasing operating expenditures while providing excellent service. The Adopted budget reflects an expenditure decrease of 2.5% (\$35,820) and a net County dollar increase of 4.9% (\$39,864).

Excluding Personal Services, the Adopted operating budget reflects an expenditure decrease of 3.1% (\$40,288).

There is an increase in revenue due to Winston-Salem State University being on the system for a full year and for tower space rental fees. The increased revenues from WSSU more than offset the revenue lost from the NC DOT leaving the system.

Sheriff

MISSION STATEMENT

To ensure the security of life and property, to prevent crime and disorder, and to enforce the laws of North Carolina and the United States.

BUDGET HIGHLIGHTS

The Sheriff's Office FY 12 Adopted budget reflects a net County dollar increase of 0.8% (\$273,606). There is an expenditure decrease of 1.3% (\$529,398) and a revenue decrease of 12.7% (\$803,004). The revenue decrease is due primarily to changes within the School Resource Officer Program which results in the loss of 11FT positions assigned to the program. In addition, the Sheriff will no longer provide School Crossing Guards which results in the deletion of 22PT positions. The Sheriff's Office is also deleting 4FT vacant Detention Officer positions due to decreased jail population. With the merger of Property/Evidence Management complete with the City of Winston-Salem Police Department, 1FT and 1PT Property/Evidence Specialist is deleted effective July 1, 2011. In FY 11, 3PT Court Bailiffs were added, 1FT DWI Task Force Deputy was added; and 1FT Property Specialist was converted to part-time and shifted to Procurement.

The Sheriff's Office worked diligently to reduce operating expenditures; however, there are some unavoidable increases in maintenance contracts for the OSSI CAD System, insurance premiums and claims, and training costs.

Emergency Services

MISSION STATEMENT

The mission of the Forsyth County Emergency Services Department is: 1) Coordinate, supervise and manage the fire & rescue protection program in Forsyth County; 2) Manage the operation of the 9-1-1 Communications Center; 3) Provide support and training to the volunteer fire and rescue departments; 4) Provide required fire protection to the Smith Reynolds Airport; and 5) Provide emergency medical and ambulance services as well as field level EMT Paramedic care within Forsyth County in an effective, timely, and efficient manner.

BUDGET HIGHLIGHTS

The FY 12 Adopted budget for Emergency Services reflects a County dollar decrease of \$53,354 or 1.0% from the current year budget. There is an expenditure decrease of \$492,046 (-2.9%) & a revenue decrease of \$438,692 (-3.8%). The budget focuses on maintaining the department's operations at its current level while minimizing County costs. The budget includes 1FT Database Specialist effective 4/1/2012 using savings from the deletion of the Resident Engineer contract. Also included are four (4) positions to be phased in during FY 12 to further along the shift migration to 12 hour shifts for the EMS Division.

The decrease in expenditures and revenue is somewhat misleading due to a change in the method of accounting for the 911 revenue generated from the \$0.60/month fee for all wireline and wireless telephones. In prior years, funds generated from the 911 fee were transferred to the General Fund and expenditures were charged to the 911 Communications Division. The NC 911 Board now requires these expenditures be charged to the Special Revenue Fund and are now located in the Emergency Telephone Special Revenue Fund (page 244).

In FY 11, the Board of Commissioners approved an increase in the ambulance fees. The fees were adjusted based on the Medicare Allowable for each category of charge. The last time rates were adjusted was 2008.

Court Services

MISSION STATEMENT

To provide services which facilitate and enhance the judicial administration function in Forsyth County.

BUDGET HIGHLIGHTS

The Court Services' FY 2012 total Adopted expenditure budget increases \$59,017 or 11.8% over the Current Year Original, and the total Adopted revenue budget decreases by \$7,002 or 1.8%. This results in a County dollar increase of \$66,019 or 58% from the CYO. The majority of the County dollar increase is due to the fact that funds were not recommended for the Deferred Payment Program in FY 2011 and FY 2012. The Board of Commissioners chose to add funding to the Adopted budget for this purpose. County dollars also increase to help cover expenses of the Safe On Seven Domestic Violence Program. Both grants did not fully fund the operating costs of the program.

Grant funding or other non-county funding is projected to fund most of the Safe on Seven Domestic Violence Program. Safe on Seven is one program, but it is generally broken out into two separate sections based on the accounting of each grant. Although the two areas cross in terms of programmatic service, they do not cross in terms of budgeted expenses. The County provides funding of \$2,000 to help offset equipment repair expenses not included in the U.S. Department of Justice grant and \$12,292 for the N.C. Governor's Crime Commission Grant.
