

### III. AIR QUALITY AWARDS

The Air Quality Awards Program recognizes industrial and institutional sources in Forsyth County for their compliance with air quality standards.

Each year, the Environmental Assistance and Protection Advisory Board members review the compliance histories of the permitted sources, determine which sources have met their responsibilities in controlling air emissions, and determine the air quality award recipients.

**ACTION:** It is requested that the Advisory Board make the final determination on which sources will receive Calendar Year 2017 Air Quality Awards.

### IV. SPECIAL AIR QUALITY AWARDS and SPECIAL ENVIRONMENTAL AWARDS

The Environmental Assistance and Protection Advisory Board may recognize companies and other organizations making exceptional efforts in reducing pollution. The Special Air Quality Awards are presented to those companies/organizations that have reduced their air pollution beyond regulatory requirements and the Special Environmental Awards reflect efforts made by companies/organizations to control pollution in any environmental media.

Applications for the 2017 Special Environmental Awards have been received for *Winston-Salem/Forsyth County Schools – Southeast Middle School, Winston-Salem/Forsyth County Schools – Middle Fork Elementary School, Winston-Salem/Forsyth County Schools Operations Division*, and two from *Johnson Controls Power Solutions*.

**ACTION:** It is requested that the Advisory Board make a final decision on whether each of these facilities are winners of the Special Environmental Award or Special Air Quality Award.
